

Bamboo Eco Flasks & Flask Cup

Introducing the Bamboo Flask and Bamboo Flask Cup to the Eco Bamboo range. These bamboo and stainless steel flasks are a must have for anyone who loves the outdoors. The handheld flask cup is capable of keeping your beverage hot for 3 hours and cold for 9 hours, whilst the larger Flask can keep your beverage hot for 18 hours and cold for 24 Hours.

The perfect travel companions - whether you take it on your dog walk or on your commute, you can always rely on the flask cup secure lid and the larger flasks press to release top. With a real bamboo wrapped body, these flasks are perfect for engraving a brand logo, but also are suitable for 1-2 Spot colour branding.
